

CHERRY MC 1100 TAA

TAA-compliant Cable Mouse

Models may vary from the image shown

TAA-Compliant Corded USB mouse

An innovative design makes the CHERRY MC 1100 TAA suitable for small and large hands. The form ensures perfect ergonomics, regardless of whether you are right-handed or left-handed. The precise sensor, with 1000 dpi resolution, in combination with a high-quality scroll wheel with a button function, satisfies the requirements of demanding users. The mouse works on most surfaces – even without a mouse pad. By using an extra-long cable, you'll remain flexible and can, for example, connect the mouse to the PC below your desk.

Designed for GSA sales into federal government agencies and the US military. This symmetrical mouse design is suitable for small or large hands, and both right or left handed users. The three button mouse with scroll wheel includes a 1000 dpi optical sensor. The mouse works on most surfaces – even without a mouse pad. A 6 foot cable provides the flexibility to connect the mouse to the PC below your desk.

CHERRY MC 1100 TAA

TAA-compliant Cable Mouse

Key Benefits

- For right- and left-hand use
- Perfect ergonomics for hands both small and large
